### A simple guide to caring for pet rabbits

Dudu is a rabbit with 1 copy of the dutch gene, and like the Vienna gene it does show up when only being carried. A rabbit with 1 copy shows only partial dutch markings. When you have a rabbit with 2 copies of dutch which is dudud, then you get the full effect of the dutch pattern. The full dutch pattern basically causes the front half of the rabbit to be white, with a blaze on their head and 2 "socks" on the back feet.
