theories of education

Functionalism is a
consensus theory
which sees society as
being essentially
harmonious. It argues
that: Society has basic
needs, including the
need for social order.

Introducing Sociology

1. Most, if not all, A-level Sociology students begin their course with a fairly vague idea about what is involved in the “study of society”. A copy of the syllabus is an initial starting point because it maps-out for you the areas you will be studying during your course.
