Legal translation was central to our translation services when we created our firm some 18 years ago. It is still very much our core business. The transposition of the common law concepts into civil law - and its reverse - is difficult. Our translators, often legal practitioners, are familiar with both legal systems.

### Legal | A&R Certified Translations, Interpretation and ...

Performance of civil engineering projects is, at least in part, affected by government spending and decisions on whether or not to launch or postpone infrastructure projects (such as roads, bridges, sewerage systems, power or telecommunications networks) do not necessarily take account of the economic situation, but may instead reflect budgetary and monetary policy, or the desire to stimulate ...
