The Tyndale Bible generally refers to the body of biblical translations by William Tyndale (c. 1494–1536). Tyndale's Bible is credited with being the first English translation to work directly from Hebrew and Greek texts. Furthermore, it was the first English biblical translation that was mass-produced as a result of new advances in the art of printing.

Tyndale Bible - Wikipedia

The brains of first language English speakers have become “hardwired” to innately accept only an adjective-noun pattern; in order to successfully learn Spanish as a second language, those English speakers must consciously learn the different pattern of noun-adjective. Or rather, second language learners must
