An assault is the act of inflicting physical harm or unwanted physical contact upon a person or, in some specific legal definitions, a threat or attempt to commit such an action. It is both a crime and a tort and, therefore, may result in criminal prosecution, civil liability, or both. Generally, the common law definition is the same in criminal and tort law.

Assault - Wikipedia

This is a bit different than its counterpart in criminal law where contact is usually required. Assault is an intentional tort to a person. Battery: Battery is an intentional act by the defendant that causes harmful or offensive contact of the plaintiff. The tort of battery often accompanies the tort of assault where it is referred to as ...
