Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail.

For Your Own Protection

For Your Own Protection is a fast-paced mysterious thriller set in the world of City bankers and criminals of vastly different, but deadly, backgrounds. With a great mix of eclectic characters, the story builds slowly with enough tension and twists to keep your attention and, more importantly turning the page. The story is well-written and well told.

Salt has been used for protection for a very long time, and it's believed to absorb negative energy. By combining it with protective herbs or essential oils, it can be used to ward off any energy you don't want coming into your home. This can be any type of energy—living people, spirits, or other energies.

"For Your Own Protection" There is no situation that cannot be made instantly and immeasurably worse through police intervention. A splendid illustration of this principle is found in a recent ruling from the the Arkansas Court of Appeals.

Pro Libertates: "For Your Own Protection"

With Pilkington's signature mystery-telling techniques at work, readers will forgive small slights against the plot. With its more strategic pacing, as compared to previous books, For Your Own Protection is Paul Pilkington at his best yet. I recommend readers Binge For Your Own Protection by Paul Pilkington.

Amazon.com: Customer reviews: For Your Own Protection

A Death Sentence, For Your Own Protection. Governments worldwide are censoring information about Coronavirus, obstructing testing, slowing cures, falsely imprisoning millions, destroying trillions of dollars of wealth, and killing untold thousands with dictatorial measures. As these words are written, governors throughout America have issued orders (without resort to any statutes or legislation) shuttering thousands of businesses and terminating tens of millions of workers.
