## Aboard The **If You Were A Kid**

If You Were a Kid  
During the American  
Revolution is an  
engaging, well-written  
introduction to the  
topic and I especially  
like the story line  
which is interwoven  
with historical  
information. It includes  
a simple index,  
glossary, table of  
contents and other non-  
fiction elements.

Therapists are mandated reporters for child abuse, but if you are telling a therapist about your child abuse when you were a child, then your therapist and you can discuss your options. If a child is living in the home with your abusive parent, that should be a very serious discussion. 5. You are never too old to heal. To make changes in your life.
