Marsh Dwellers of the Euphrates Delta. Salim is best known for his groundbreaking ethnographic work, *Marsh Dwellers of the Euphrates Delta*, submitted as his doctoral thesis in University College, London (1955), first published in Arabic in Baghdad in two volumes (1956-1957), and subsequently published in English as number 23 in the series *London School of Economics Monographs on Social Anthropology* (London: Athlone Press, 1962).

### **Shakir Mustafa Salim - Wikipedia**

Similarly, the locals in the northwest corner of the Central Marsh prevailed upon the operator of the pumping station to stop pumping, causing the marsh to flood. Three breaches were also opened in the left levee of the Euphrates, allowing water to flow into the Central Marsh, and around Hawizeh Marsh various dykes and levees were opened.
