This is my very rare Mini Jet Black. It's all original, no replaced panels and a matching numbers genuine Mini Jet Black edition. Only 1000 were made in 1988 and I haven't seen one for sale for a long time. This car was sold for a number of years as many of its parts were used for a racing team's project.

The other branch of the Mini family, the non-Coopers, went to a Mk VI in May 1992, after the demise of the 998cc engine in April 1992 and the introduction of the carb 1275 as the base engine. The Mayfair and the Sprite (not a special edition car, but the name used for the City replacement) both used the 1275 equipped with a catalyst.

Classic Mini Identification: Identifying Minis by Mark

hi and welcome. here we have my limited "jet black" edition mini it had a new front end at the start of the year there is no rust or rot!the engine has been striped and re sealed then painted which looks greative just fitted a boot board kit to smarten the boot area up. its just been taxed and moted with no advisories its had new suspension bushesruns and drives great without f
