### Saints And Relics In Anglo

The veneration of saints and relics is one of the most striking features of Anglo-Saxon society. A vast literature, produced by some of the foremost writers of the age such as Bede, developed to record the lives and miracles of saints. Their mortal remains were encased in sumptuous reliquaries and housed in magnificent churches often built especially to honour them.

### Art 335 Saints and Relics in Medieval Art

Acquiring prime relics required much time and money, so competition between sacred sites drove many churches to extreme, even inexplicable, lengths. Fragments of saints were trafficked around Europe, but far too often supply simply fell behind demand, resulting in an underground economy of trades, surreptitious purchases and even theft.

### Medieval Holy Relics: Where Did They Come From? - HistoryExtra

This text gives a surveye of the saints of England and the places where their relics lie, and many of those saints are those still commemorated in the same places, a thousand years later. This text arranges its saints by rough geographical area - from Northumbria into Mercia, down to East Anglia, Kent and Wessex - so I've mostly followed that order in this post.

### A Clerk of Oxford: The Saints and Shrines of England

"Resurrection is privileged to have several relics of saints and holy objects. Each of the three altars has relics of martyrs embedded in the altar stones, and some items from our large collection of antique and new reliquaries are normally adorning the altars. Two of the most important are mounted on the walls alongside the High Altar.
