enrollment for all students. This course is an acceleration of mathematics curriculum which requires students to master the content assessed on the Mathematics 8 SOL assessment. Students who have not completed Advanced Mathematics 6 may need support and/or require additional effort and study to be successful.

## **Honors, Grades 7-8 | Fairfax County Public Schools**

The 6th and 7th grade honors courses accelerate the material to allow students adequate content exposure (the fidelity of this is debateable) to be successful at Algebra 1 prior to high school. Not all students should be placed into these courses, as most students need the full middle school math course progression experience to be prepared for success in Algebra 1.
