counselors may provide more extensive short- or long-term assistance to such a client. However, this situation should be the exception rather than the rule for counseling. A counselor can recommend a follow-up counseling session with a family member, friend, or case manager present who can assist the client.

The heart of grief counseling according to Dr. Ken Doka, writer and lecturer in grief and loss, is validation. Grieving individuals need reassurance that what they are experiencing is normal. Counselors can help people understand and identify the ways they are reacting. Some people grieve through their expression of feelings. Others grieve ...
