The Cold War: A New History is meant chiefly, therefore, for a new generation of readers for whom the Cold War was never "current events." I hope readers who lived through the Cold War will also find the volume useful, because as Marx once said (Groucho, not Karl), "Outside of a dog, a book is a man's best friend.

The Cold War: A New History

John Lewis Gaddis in The Cold War approaches the Cold War from a number of different perspectives. Each is covered in one of seven chapters and an Epilogue. The most valuable to me were the last chapter "The Triumph of Hope" in which the Berlin Wall falls and the "Epilogue: The View Back" in which he summarizes what the Cold War meant.
