While it was written before much of the technology we have now, "The Saturated Self" highlights both the advantages and the pitfalls of being highly interconnected. Although we can now easily fly in an airplane to most destinations and keep track of friends online, we lose an authentic interpersonal connection with people we actually see because of our dependence on electronic gadgets.

KENNETH GERGEN THE SATURATED SELF PDF

For the romanticist conception of the self `is a perspective that lays central stress on unseen, even sacred forces that dwell deep within the person, forces that give life and relationships their meaning.' Depressingly, Gergen feels that this process of social saturation is far from complete. This is a challenging and thought-provoking book.
