Stats of the States - Births to Unmarried Mothers

When a child is born to an unmarried mother, the mother is automatically granted sole custodianship. The father has no legal right to see their child without a court order. Legally, there is no presumption of paternity; this means that unwed fathers are not, by default, assumed to be biologically related to their children.

Fighting for Child Custody between Unmarried Parents ...

Unmarried parents are not that different from married parents in their behavior. Both groups value marriage, both spend a long time searching for a suitable marriage partner, and both engage in...
